Buner District, Khyber Pakhtunkhwa, Pakistan

## Summary

I am a fully trained freelancer and Computer Engineer, I have done my computer Science degrees from University of Buner with a CGPA of 3.67 out of 4.0. With my pursuing of computer science degree.

I have done some extra Courses like I am a certified graphic designer from a well recognized institution of Pakistan "Higher Education Commission" I also achieved Microsoft excel certification from Microsoft, English in career development certification from University of Pennsylvania and critical thinking certification from University of Davis California USA.

I like visiting and exploring new places. I like playing football in my free time.

---

## Experience

### Assistant Commissioner Office

#### Graphic Designer

April 2024 - Present (8 months)

Nawagai, Buner Khyber Pakhtunkhwa.

I am currently working as a remote graphic designer for the Assistant Commissioner Office Nawagai, Mandanr Buner Khyber Pakhtunkhwa, I have designed many things for the Assistant Commissioner Mandanr Buner Website.

### Islamia Public School Chena Swari Buner.

#### Teacher

October 2022 - Present (2 years 2 months)

Buner District, Khyber Pakhtunkhwa, Pakistan

I have been working as a private school teacher since I was newly promoted to semester 3rd, as my expenditure was rising, and I do not have enough

finances to invest in my bachelor studies so I started a part-time job at the school.

## University of Buner

6 months

### Graphic Designer

May 2023 - August 2023 (4 months)

Buner District, Khyber Pakhtunkhwa, Pakistan

As I got certification from the Higher Education Commission as a graphic designer a project was assigned to us from HEC that all the trainees had to complete project the project was to work with any institution or company take the certificate and upload it to the HEC website, so we worked in registrar office of university of Buner for 3 months and was an unpaid internship.

### Mentor

March 2023 - June 2023 (4 months)

Sawari, Buner Khyber Pakhtun Khawa.

I taught as a Graphics teacher as well at the University of Buner, I offered free services to Graphics students and helped them shape his/her future as a graphic designer.

---
